To Whom It May Concern:

I'm pleased to provide a most favorable reference for Knudson & Associates LP. Greens Port Industrial Park enlisted their service to work with the City of Houston on issues related to drainage fees. The Knudson team did a fantastic job of listening and understanding all of the unique aspects related to our property, they worked in a timely manner and with the utmost professionalism. The Knudson team has a solid grasp of the regulations and just as importantly understands the inner-workings of city government. They obtained a favorable resolution in a manner that aligned with our company's core principal of integrity.

Sincerely,
