

# Houston Airport System (HAS) Houston Airports Program Management Team (HAPMT)

## Project Description

The Houston Airports Program Management Team (HAPMT), a joint venture of AECOM, the Louis Berger Group, Bradlink, and Omega Engineers, to provide program management for the renovation and expansion of the three airports in the Houston Airport System: George Bush International Airport/Houston (IAH), William P. Hobby Airport (HOU), and Ellington Field (EFD).

As a part of the AECOM Team, Knudson provided observations during the construction of the new William P. Hobby parking garage and the construction estimating and scheduling for the expansion of Terminal B at George Bush Intercontinental Airport.
