

# Galveston Park Board Master Plan

## Project Description

Knudson LP was hired by the Galveston Park Board of Trustees to complete a Master Plan of their two primary parks, Stewart Beach and East Beach. Through a series of owner meetings and public meetings, Knudson was able to understand the needs of the community and develop a Master Plan for each park that would meet both short and long term needs of the park users.

At the end of the Master Planning process, the Board of Trustees adopted the Knudson Master Plan along with the nearly 41 million dollars of recommended short and long-term improvements.
