

Harris County Jury Assembly Plaza

Project Description

Located in the heart of downtown Houston, adjacent to the new Harris County Courthouse, Knudson, LP worked alongside Page Southerland Page Architects on the design of this rooftop urban plaza that will act as a refuge for jury members, courthouse officials and surrounding criminal justice employees.

The Transportation Plaza and Jury Assembly Room design revolves around an integration of privacy, open space and security with amenities that include a public amphitheater, natural limestone pathways, large native perimeter trees, historical streetscape design and various private gardens.
