

# The Courtyard – The Kinkaid School

## Project Description

Knudson, LP served as campus Landscape Architects for this K-12 private school located in Houston, TX. Knudson completed the design and construction of the elementary courtyard, The Courtyard in 2002. This secure, private open space included a half court basketball court, custom designed shade structures with native ivy selectively covering them to provide the necessary shade, private seating areas and an educational sun dial, along with ornamental brass sculptures selectively spaced throughout the courtyard.
